

Model No.

# LGT-22

Laminate Rack Top

INCLUDES: Top and hardware

Graphite Grey finish

GRAPHITE GREY LAMINATE TOP with rubber edge molding is designed to overhang the metal top in specified racks (LER, LGR, LPR series), adding an attractive finish.

## FEATURES

OVERALL HEIGHT: 1.00 in. [25mm]

OVERALL WIDTH: 24.69 in. [627mm]

OVERALL DEPTH: 24.06 in. [611mm]

CONSTRUCTION: One-inch high laminate-covered particle board with rubber-edge molding.

COLOR: Graphite Grey

HARDWARE: 10-32 T-nuts, screws

INSTALLATION:

- For LER and LPR Series racks with solid metal top:  
The LGT laminate top attaches through knockouts in the rack's solid top. See install sheets for details.
- For LER and LGR Series racks with open top: The LGT laminate top attaches to four holes on racks that have a 7U or 10U opening. See install sheets for details.

## A&E SPECIFICATIONS

The rack shall include an overhanging laminate top, Lowell Model LGT-22, which shall measure 1"H x 24.06"D x 24.69"W. It shall be comprised of particle board with a dark Graphite Grey laminate finish and include rubber edge molding.
