

The front features a hooded white light and switches.

The back features eight (8) NEMA 5-15R receptacles, all controlled by the front switch.

Extra long attached cord (15-ft.)

The shallow rackmount panel with hooded white light adds visibility for users and technicians working in dim lighting. The light has a high/low brightness switch to adjust intensity. The rear of the panel features eight (8) NEMA 5-15R receptacles to power rackmounted equipment. All receptacles are controlled by the front lighted on/off rocker switch. A special feature of this compact unit is the extra long 15-ft. power cord with NEMA 5-15P plug.

FEATURES:

- **Panel Space:** 1U (1.75-in.)
- **Overall Depth:** 4.375-in. chassis depth plus 1.5-in. hood projection
- **Overall Width:** 19-in.
- **Construction:** Certified U.S. steel chassis with smooth black powder epoxy finish
- **Receptacles:** Eight (8) NEMA 5-15R outlets in the rear are controlled by a lighted on/off rocker switch with circuit breaker in the front panel. 120VAC, 60Hz, 15A, 1800W
- **Light:** The lamp is controlled by a front on/off switch and a high/low brightness switch. Includes two 6W bulbs.
- **Power Inlet:** Attached 15-ft. cord with NEMA 5-15P plug
- **Weight:** 5 lbs.
- **Origin:** Made in the U.S.A. with global components
- **A&E Specifications:** The rackmount panel shall be Lowell model U181RL-LC, which shall have a 15W power rating and feature hooded white lights in front and eight (8) NEMA 5-15R receptacles in back. The front shall have a lighted power switch, two 6W lamps under a hood projection, and switches for the lamp (on/off) and lamp brightness (high/low). The chassis shall be steel construction with black powder epoxy finish, measuring 19"W x 1.75"H x 4.375"D plus 1.5"D for front hood projection. It shall include an attached 15-ft. cord with NEMA 5-15P plug. The unit shall be made in the U.S.A. with global components.

Model Summary

Model No.	Rack Units	Chassis Depth	Hood Projection	Overall Width	Rear Outlets	Attached Cord	Power Rating
▶ U181RL-LC	1 U	4.375"	1.5"	19"	8 (15A)	15'	15W

1U = 1.75"
