

features

- **Description:** Wall-mount selector switch for on/off control of up to six program sources is a two pole rotary with “Euro-Style” screw inputs. It’s ideal for program source selection in medical offices, mixed-use retail suites, schools, hotels, restaurants, residences, and similar areas where program selection without volume control is needed (where volume control is accomplished at the source).
- **Sources:** 6 inputs for remote source selection
- **Input Connections:** Screw terminals
- **Output Connections:** Pigtails
- **Mounting Depth:** 1"D for convenient installation in a standard electrical outlet box or Lowell surface box #PIX-1 (order separately).
- **Wall Plate:** 1-gang decorator style wall plate—stainless steel plate and white sub-plate with printing.
- **Hardware:** Includes rotary knob, mounting screws.
- **Dimensions:** 2.75"W x 4.5"H x 1"D
- **Origin:** Made in the U.S.A. with global components.
- **Compatibility:** May be used in conjunction with a 70V/25V volume control such as Lowell 25LVC-, 50LVC-, 100LVC- Series) by connecting the program selector output to the attenuator input. The program selector and the volume control can then be mounted side-by-side in a 2-gang electrical box or separate 1-gang boxes. Order volume control separately.
- **A&E Specifications:** The source selection device shall be Lowell Model #CS6-DSW, which shall be a six (6) input selector switch with 1-gang decorator style wall plate (stainless steel plate and black sub-plate with printing), rotary knob and mounting screws. The selector switch shall be two-pole rotary style for isolation between lines. Wiring connections shall be to screw terminals allowing the unit to be field connected as an independent selector for use with a volume control. The wall plate shall measure 2.75"W x 4.5"H x 1"D for installation in a standard gang electrical box (not included).

CS6 series summary

Model No.	Description	Sources	Switch	Connections	Dimensions	Plate Style	Plate Color
CS6-SS	Program Selector Switch	6	2-pole rotary	Euro-style screw	2.75" x 4.5" x 1"	1-gang standard	Stainless Steel (SS)
CS6-DW	Program Selector Switch	6	2-pole rotary	Euro-style screw	2.75" x 4.5" x 1"	1-gang decorator	White
CS6-DSW	Program Selector Switch	6	2-pole rotary	Euro-style screw	2.75" x 4.5" x 1"	1-gang decorator	SS & White
CS6-DSB	Program Selector Switch	6	2-pole rotary	Euro-style screw	2.75" x 4.5" x 1"	1-gang decorator	SS & Black
