

Model No.

# LCC4-4432

Cable Chase for LGR-4432 Gangable Rack

---

Panel Space:	44U
Overall Height:	83" [2108]
Overall Depth:	32" [813]
Overall Width:	4.00" [586]

---

Three-piece USA-certified steel assembly is engineered to provide extra wiring space between gangable racks or at the end of a multi-bay configuration. Each cable chase features 4" [102mm] of useable space, bolt-on front/rear/top, and joining hardware.

---

## FEATURES

### CONSTRUCTION:

- 16-gauge steel raceway for use with LGR Series racks (44U)
- 4" [102mm] channel depth
- Top piece features compound knockouts (2"-1" or 51-25mm).
- Beveled edges align with rack for chiseled appearance.
- When used on a single rack or at the end of a bay, closure can be accomplished using an optional side panel.
- Textured-black powder-coat finish

**SHIPS UNASSEMBLED.** Assemble without field-drilling using 10-32 nuts and bolts provided. Insert four bolts through channel assembly to secure to rack. (If a side panel is used, it mounts to keyhole slots in the channel.)

**COMPLIANCE:** TAA Compliant; BAA Compliant

**COUNTRY ORIGIN:** Made in USA

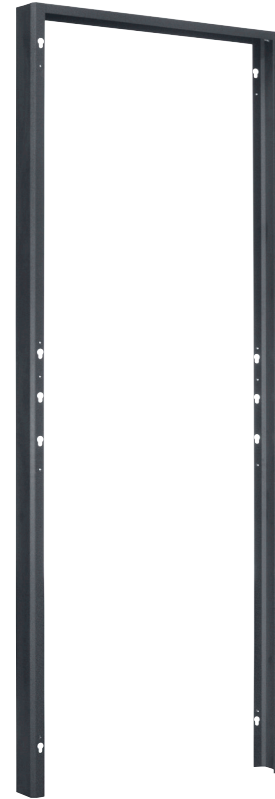

## A&E SPECIFICATIONS

The cable chase shall be Model No. LCC4-4432 which shall provide 4" [102mm] of cable management space on the side of the specified rack. Field-mounting shall be accomplished without drilling using 10-32 nuts and bolts provided. The channel shall be 16-gauge steel with a textured-black powder-coat finish and shall feature compound knockouts on top. The cable chase shall be manufactured in the USA using USA-certified steel. It shall be Trade Agreement Act (TAA) compliant and Buy American Act (BAA) compliant.

## SERIES SUMMARY

Model No.	Description	Racking Height	Overall Height	Channel Depth	Overall Depth	For use with Rack Model
LCC4-4432	Cable chase	44U	83" / 2108mm	4" / 102mm	32" / 813mm	LGR-4432

One rack unit (RU or U) = 1.75 inches or 44.45 mm.
