

Series No.

# SSC--V

Steel Security Cover, Fully Vented

FULLY-VENTED SECURITY COVER mounts directly in front of mounted equipment in 19 inch EIA equipment racks to help protect controls and settings from unwanted adjustments and tampering.

## FEATURES

**CONSTRUCTION:** 18-gauge certified US steel frame with smooth black semi-gloss powder epoxy finish

**PROTRUSION:** Front protrudes 1 in. from rack rail to allow room for equipment knobs and controls

**PERFORATION PATTERN:** 0.0781 in. holes on 0.125 in. staggered centers

**INSTALLATION:** Mounts in the same holes as the mounted equipment using two screws (top left, bottom right). The remaining positions are notched for screw clearance.

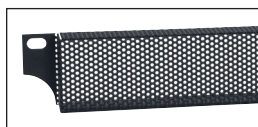

**ORIGIN:** Made in the USA

**COMPLIANCE:** EIA compliant

## A&E SPECIFICATIONS

The rackmount security cover shall be Lowell Model \_\_\_\_\_ (SSC-1V, SSC-2V) which shall be 18-gauge certified US steel with smooth black finish and staggered perforation pattern. The vented security cover shall measure 19 in. x \_\_\_\_ (1, 2) rack units. It shall mount in front of rack-mounted equipment using two screws, and shall protrude 0.938 inches to accommodate equipment knobs and controls.

SSC-1V

SSC-2V
