

Lowell.™ RACKS & ACCESSORIES ★ POWER ★ AUDIO

Built in America

TRUSTED ACROSS EVERY INDUSTRY

Why BAA & TAA Matter Everywhere

Customers in all industries now more than ever expect transparent sourcing, reliable supply chains, and consistent quality. Buy American Act (BAA) and Trade Agreements Act (TAA) compliant products reduce risk, simplify procurement, and ensure dependable performance from classrooms to command centers.

Lowell Compliance at a Glance

- **MORE THAN 75%** of all Lowell products meet strict Buy American Act (BAA) standards.
- **ABOUT 95%** of all Lowell products comply with the Trade Agreements Act (TAA).
- **100% OF RACKS**, and nearly all rack accessories, are both BAA and TAA compliant — precision-formed, fully-welded, and proudly made in the USA using USA-certified steel.

Industry Wide Confidence

From power distribution to audio solutions to the racks that anchor every system, Lowell products deliver dependable strength, professional-grade performance, and the sourcing transparency today's integrators demand.

Made in the USA – Built strong for the work you do every day.
